Title: THE MAGIC COMPASS

Author:

This is said to be the
legendary artifact, which
guided Erstam the Mad
during the voyage to
Serpent Isle. To use it,
thou must set the
Compass upon the ground,
and then chant the
mantra 'Yleg Ort.'
According to legend, the
compass will show thee
the way to travel, but
only if thou art worthy.
As for myself, I have
never been able to make
the damn thing work.
Hence, I am donating it
to the Seminarium.
